

AIRPORT MEMO

To: Chester County Area Airport Authority (CCAAA) Members

From: Gary L. Hudson, Airport Manager

Date: August 28th, 2012

Subject: Airport Hot Topics

For your review, below is a listing of issues affecting the Chester County/G.O. Carlson Airport (MQS).

NEW BUSINESS

- * **Emergency Generator:** On August 9th, a new exhaust system was installed.
- * **Photocell Replaced:** On August 10th, a photocell was replaced on the Lindbergh Boulevard street light, next to the drive-thru gate.
- * **Light Bulb Replaced:** On August 10th, a light bulb was replaced on the Aviation Way street light, next to the drive-thru gate.
- * **Drive-thru Gate Repaired:** On August 14th, a keypad was replaced on the Aviation Way drive-thru gate.
- * **Gates Repaired:** On August 17th the hinges on the Apron and Hangar #3 Pedestrian gates were replaced.
- * **National Aviation Day Event:** On August 20th, MQS hosted its first National Aviation Day Event. The purpose of the event, was to provide members of organizations (Boy Scouts, Girl Scouts, ROTC, etc.) the opportunity to earn an Aviation Merit Badge, by participating in required events approved by the Boy Scouts of America. At the conclusion of this event, fifteen Merit Badges were awarded.
- * **Gate Repaired:** On August 24th, a Cypher lock was replaced of the Apron Pedestrian Gate.
- * **Drive-thru Gate Repaired:** On August 24th, a GL Board was replaced on the Lindbergh Boulevard drive-thru gate.

OLD BUSINESS

- * **Tree Removal Project:** All of the trees identified in MQS's February 15th Airport 5010 State Inspection have been cut down and are still in the process of being cut up and removed off airport property.

* **AWOS Repaired:** On August 28th, the Ceilometer and Temperature/Dew Point sensor were replaced on the Automated Weather Observation System (AWOS).
