

AIRPORT MEMO

To: Chester County Area Airport Authority (CCAAA) Members

From: Gary L. Hudson, Airport Manager

Date: February 3, 2012

Subject: Airport Hot Topics

For your review, below is a listing of issues affecting the Chester County/G.O. Carlson Airport (MQS).

NEW BUSINESS

- * **CCAAA Internet System:** On January 12th, airport personnel finished networking terminal computers into the Authority's internet system.
- * **Airfield Sign Repaired:** On January 25th, airport personnel repaired the airfield Terminal sign, replaced an incandescent obstruction light with LED light on Hangar #2, established "North" monument for AWOS, repaired heater connections on AWOS manometer and weather vane.
- * **Sewer Lift Station Repair:** On January 26th, airport personnel repaired a broken vent pipe on the sewer lift station, ordered Sodium Acetate (NAC), plow blades, and broom brushes.

OLD BUSINESS

- * **GMC Dump Truck:** On February 3, the crank shaft was been replaced and the engine was re-assembled. Next week, the truck will be fully operational, once it has been registered and inspected.
